Dear Dr. Breeding:

Thank you for your letter of March 6, 2006.

As you know, the medical staff leadership at Seton Shoal Creek Hospital is currently evaluating the materials that you and your associates have provided to Dr. Paul Whitelock, the Medical Director for that facility. I am certain that the Medical Staff will consider this matter thoroughly, and I expect the Medical Staff to make a report of its discussions to the appropriate committee of the Seton Board of Trustees sometime in May.

Best regards.

Sincerely yours,

Sr. Helen Brewer, D.C.
